Dear Friends,

I'm overjoyed writing this because I know how hard this past year has been for all of us. We're so grateful to be able to greet you all, and appreciate the love we have for this sport. Thank you so much for your support and participation in this great event. Allow me to welcome you to the 2021 White Marlin Tournament.

We unfortunately had to erase this tournament from our 2020 calendar, but in the midst of the calm, the Caribbean Sea has simply manifested the best spread ever! We hope that this tournament shines a light on the identity of this region, and help bring Cap Cana and this magical country beyond national borders.

We wish each of the participants success and invite them to enjoy the many attractions Cap Cana has to offer. Above all, you absolutely must join us at the social soirées we have prepared!

Finally, we'd like to recognize all the companies that help celebrate this tournament. Year after year, they have proven to be an undeniable demonstration of union, support, and fraternity of this great sport. We thank you infinitely.

Wishing you the best,

A handwritten signature in dark ink, which appears to read "Silvano Suazo". The signature is written over a light gray background that features a large, stylized illustration of two marlin fish facing each other, with the year "20" on the left and "21" on the right, suggesting the years 2020 and 2021.
