

Dear friends,

As we reach the end of 2021, we are astonished at how quickly time flies past us. Even more so when we get to experience a sport so dear to us. One that has us up at the crack of dawn. One that can be enjoyed throughout a lifetime. One that can cement tenacious bonds among friends we now call family. It's our pleasure to welcome you to the 2021 Cap Cana Classic; an annual staple here at Marina Cap Cana that is back and better than ever!

We're thrilled to host you for a weekend full of lively activities, amazing food, proper drinks, and absolutely gripping fishing. Not to mention, the overall best boat will win a grand cash prize of USD\$30,000!

Hopefully, this tournament will contribute to the region's identity and bring Cap Cana across international borders. We wish you all success and invite you to explore the wonders Cap Cana has to offer.

Finally, we'd like to recognize all the companies that help celebrate this tournament. Time and time again, they've proven to be invaluable allies; demonstrating union, support, and fraternity of this great sport. We're eternally grateful.

Wishing you all the best,
